Public Comment

- Gary Colley, with the Community Accountability Committee for Douglas County School District (independent from the school board), is advocating for stronger connections between school boards and parents and staff on their local School Accountability Committee (SAC) and District Accountability Committee (DAC). Chair Zis mentioned that SACPIE and CDE cosponsor SAC and DAC trainings (geared toward parents, as well as district personnel) that have been very well received. Senator Hudak remarked that a parent liaison is no longer required for small, rural districts, but remains in place for large ones. Perhaps SACPIE can investigate this issue.
