## System & Process Elements for Authorizers of Multi-District Online Schools

### CDE Review and Certification Criteria

It is recommended that the following system and process elements serve as the basis for the Colorado Department of Education's review and certification of authorizer's of multi-district online schools.

Evidence according to each standard/area should be utilized as the foundation for evaluation and decision-making regarding authorizer capacity to successfully authorize multi-district online schools.

It is recommended that the Colorado Department of Education collect signed assurances for those standards that speak to a local district's commitments. Alternatively, for those standards that either identify local polices to be created, or ask an authorizer to describe an approach to quality authorization, CDE shall seek, through written application, information from applying districts about their existing policies, new policies, and plans for implementing these standards.

Some of the evidence elements below differ in requirement depending on whether the authorizer is new (not currently authorizing any multi-district online schools) or renewing (currently authorizing multi-district online schools). Therefore, each piece of evidence is labeled N for New Authorizer and/or R for Renewing Authorizer. Additionally, the requirements for each piece of evidence can be satisfied by the authorizer via an assurance and/or documentation. Each piece of evidence is labeled A for assurance, AS for assurance with sample documentation, and D for documentation.

Key:

N=New Authorizer; R=Renewing Authorizer; A=Assurance; AS=Assurance with Sample documentation; D=Documentation

**Further Recommendations**

- 1—Review and certification of all authorizer’s currently overseeing multi-district online schools be completed on or before January 1, 2016.

— OTF Comment(s)	
— “January 1, 2016 provides only six (6) months to do this work.”	
— “How does this fit with current legislation?”	
1. TBD	

New authorizers, February, 2016.

2. Ongoing reviews of all authorizers of multi-district schools occur every 5 years.

Suggested Change	OTF Comment(s)
<b>Ongoing reviews of all authorizers of multi-district schools occur every 5 years so long as School Performance ratings remain at either “Performance” or “Improvement.” The state reserves the right to modify the frequency of review for an authorizer of one or more multi-district online schools in priority improvement or turnaround status</b>	
<b><u>Tiered renewal process based on performance rating of district or its schools (using online school ratings only, or online and brick and mortar school ratings): 3 year renewal cycle for authorizers (and/or its schools) rated at or below a determined rating; 5 years for authorizers (and/or its schools) rated above a determined rating.</u></b>	
<b><u>Tiered renewal timeline based on the authorizer’s current certification date</u></b>	

3. The CDE is charged with clarifying the effect on a multi-district on-line school if the school's authorizer loses certification, including but not limited to establishing and making known to schools the types of actions and consequences that they may.

Suggested Change	OTF Comment(s)
The CDE is charged with clarifying the effect on a multi-district on-line school if the school's authorizer loses certification, including but not limited to establishing and making known to schools the types of actions and consequences <b>(omit that)</b> they may face.	

- a. Any State Board Decisions to remove authorizing capacity from a district, BOCES or CSI as of July 1 of any year must be made by July 20 of the prior year.

Suggested Addition	OTF Comment(s)
<b>A district’s current DPF rating should be considered when weighing the evidence regarding capacity to perform authorizing duties</b>
