(a) IDEA funds are awarded to Authorizing Units (AU), which receive IDEA funds and disburse to member districts. If a district shows no IDEA funding disbursements on this report, those funds could have passed through an AU to that district.

(b) Charter School funding is awarded to Colorado Charter School Institute, which then disburses those funds to individual approved Charter Schools.

(c) State operated school funds reported here are the calculated allocations vs. disbursements. However, most often, the entire allocation is used and disbursements would equal the allocations.

(d) BOCES are Boards Cooperative Education Services, whose members are various local districts. Funds disbursed through a BOCES are managed and then disbursed to the member districts based on calculated per pupil counts, application budgets or other means.
