<p>Carol Ruckel Teacher Incentive Fund Coordinator Weld Re-8 School District</p>	<p>Section 11.05 (E) (6) of the Proposed Rules for the Administration of the Education Accountability Act of 2009 should be amended to read:</p> <p>“11.05 (E) (6) the number of teachers employed at the Public School who have three or more years of teaching experience IN THE DISTRICT. For purposes of this subparagraph (6), the data used shall describe teachers who have obtained non-probationary status.”</p> <p>The addition of IN THE DISTRICT will clarify the intent. A teacher can have many years of experience in another district and be probationary in the reporting district. With the current proposed language, the two sentences in 11.05 (E) (6) are conflicting.</p>	<p>The Department recommends making the following revision:</p> <p>“11.05 (E) (6) the number of teachers employed at the Public School who have three or more years of teaching experience <u>IN THE DISTRICT</u>.
