

I go to the Library.

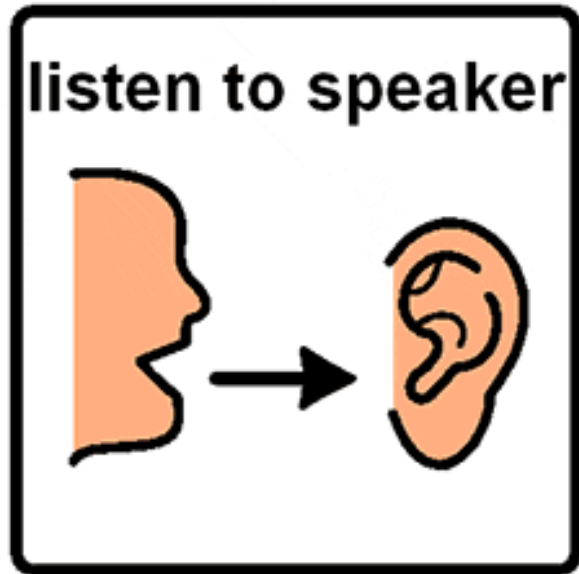

I walk to the
Children's Library.

I find a spot to sit in the storytime room.

My mom or dad or other grownup stays
with me during storytime.

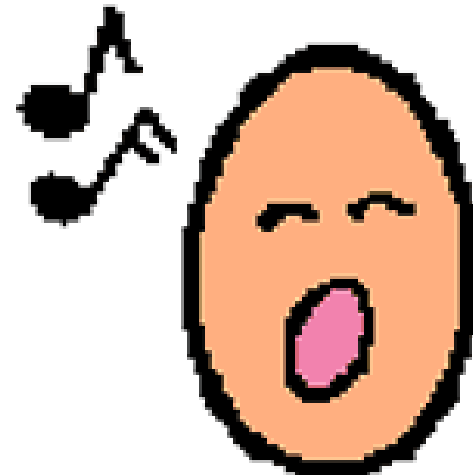

I listen when the librarian reads stories.

Movement

songs

During storytime we dance and sing. I can dance and sing along or listen and watch.

I can play when storytime ends and I can leave when I am ready.

I have fun at the library.
