

# ***COLORADO SCHOOL BUS AND CHASSIS MANUFACTURERS CERTIFIED MODELS***

School Year 2012-2013

\* \* \* \* \*

The following is a list of the school bus body and chassis manufacturers who have certified their school bus body and chassis models with the School Transportation Unit, Colorado Department of Education, for sale in Colorado. The annual certification assures that the vehicle models listed comply with the Colorado Minimum Standards Governing School Transportation Vehicles, 1 CCR 301-25, for the school year starting September 1, 2012. For Trans Tech Bus, the period starts February 28, 2013.
