The Denver Metro Area includes 467,796 ( 56.20 %) of the state's total Fall 2009 student membership (832,368) in public schools. From Fall 1999 to Fall 2009 student membership in the Denver Metro Area increased by 79,536 students (20.49%). The total increase for all other Colorado school districts during that period was 44,723 students (13.98%).

\* NOTE: Detention Center students were removed from the district count and pulled into a separate category. Although detention center students receive educational services from school district employees, school districts have no jurisdiction over any other detention center function.
