Proposals that require Board Policy Changes, a State Waiver, effect other schools in the zone, or require zone funding go to the POWER Zone Leadership Team

Proposals effecting only the students and/or community from proposals own school and not requiring Zone funds does not need to go to Power Zone Leadership

The more research and detail provided in the PROPOSAL TEMPLATE, the more likely the proposal will not need to be altered or sent back to other groups. Approval of PROPOSAL requires a 50% +1 vote at each level

A Proposal starts with you!
 Proposal then goes to your school principal. You and your school principal present it to your school innovation assembly and if it passes the assembly to your school SAC.
 Depending on scope of your proposal it may need to go onto anywhere from the POWER Zone Leadership Team to the State Board of Education.
