

**Colorado Content Collaboratives  
Technical Steering Committee Meeting**

Marriott Courtyard Denver Airport  
6901 Tower Road, Denver, CO 89249

**December 12, 2012**

**Agenda**

- 8:00 am**                      **Breakfast available**
- 8:30-9:00 am**                **Welcome breakfast and review of agenda and meeting objectives**  
*Toby King, CDE*  
Primary Meeting Objectives:
1. Provide feedback on CDE's plans to collaborate with districts on measuring student learning over time for Colorado's teacher and principal evaluation systems.
  2. Provide feedback to CDE on the guidance for the combinations of multiple measures that can be used to determine student growth.
- 9:00-9:45 am**                **Update on Content Collaborative work and future plans**  
*Angela Norlander, CDE*  
Angela will provide an overview of the work completed by the Content Collaboratives in Phase 1, discuss identified areas of need, and preview their planned work over the next three years. TSC members will be asked for their feedback on the proposed foci for future Content Collaboratives work.
- 9:45-10:45 am**                **Overview of Resource Bank**  
*Teresa Yohon, CDE (30 minutes)*  
Teresa will provide an online demonstration of the Resource Bank, including its content, functionality and connection to other CDE initiatives.  
*Sed Keller, CDE (15 minutes)*  
Sed will review the revised Assessment Review Tool that is available to districts for their use through the Resource Bank.  
*Angela Norlander, CDE (15 minutes)*  
Angela will ask TSC members for their feedback on the Glossary (sent prior to the meeting) that will be available through the Resource Bank.
- 10:45-11:00 am**                **Break**

- 11:00-12:00 pm**            **CDE's plans for peer review and testing of assessments to measure student growth**  
*Sed Keller, CDE*  
Sed will provide an overview of CDE's plans to field test/peer review assessments in the districts and determine how best to measure student learning over time for the teacher and principal evaluation systems. TSC members will be asked for feedback and advice on these plans.
- 12:00-1:00 pm**            **Working Lunch**  
TSC members will be provided the opportunity to continue the discussion about CDE plans for peer review and field testing assessments or to begin review of draft guidance.
- 1:00-3:00 pm**            **Overview of draft guidance on measuring student growth**  
*Toby King, CDE*  
Toby will facilitate a discussion on the document created for CDE (sent prior to the meeting) to provide guidance to districts on how to select and combine multiple measures of student growth. TSC members will be asked for their input to help CDE finalize the guidance.
- 3:30 pm**                    **Wrap-up and adjourn**  
*Angela Norlander, CDE*
