

Developing Functional IEP Goals for Preschool:

A practical, hands-on web-based learning opportunity

"Love the forms and plan to use them."

Sponsored by: the Colorado Department of Education Special Services Unit
Preschool Special Education

For: We highly recommend this course be taken by Child Find and ongoing implementation teams. Individuals involved in the development of IEPs for children 3-5 years of age are also welcome.

Dates:

- September 7, 2013 – October 13, 2013
- November 9, 2013 – December 22, 2013
- February 22, 2014 – March 30, 2014
- March 29, 2014 – May 4, 2014

"This class definitely started conversations among our team members which is wonderful by itself!"

Time Commitment: This 5-week course requires approximately 3 hours per week to read short articles, field test tools, practice restructuring your IEP goals and respond to discussions. No experience with online coursework is necessary.

Credit: Up to 15 contact hours toward State Recertification and an optional 1 hour of UNC graduate credit

FUNCTIONAL GOAL DEVELOPMENT IS AN ONGOING PROCESS! Learn How:

"Online – easy pace."
