

Categories of Personnel

The Teacher Quality Standards included in the April 13th recommendations to the State Council are intended to apply to all teachers who have primary responsibility for teaching a subject included within the Colorado Academic Standards.

The State Council for Educator Effectiveness will work with CDE to develop additional recommendations for any modifications to the Quality Standards for the following categories of “licensed personnel”:

- English as a Second Language teachers [NOTE: English language proficiency is one of the Colorado Academic Standards]
- Career and technical teachers
- School librarians
- Occupational therapists
- Physical therapists
- School Counselors
- School Nurses
- Teachers of online courses
- Foreign language teachers
