

Student Count

Gifted and Talented-- Students who have been formally identified, using district wide procedures aligned with CDE guidelines, as being endowed with a high degree of exceptionality or potential in mental ability, academics, creativity, or talents (visual, performing, musical arts, or leadership). Students are provided instructional accommodations in the classroom, and other school or district options, on a continuum of services according to identified strengths. The instructional program provides special educational opportunities including acceleration, differentiated instruction, affective and career counseling, and high-level enrichment.
