

CDE Family, School, and Community Partnering (FSCP) Support Network Bulletin October, 2012

This is the second edition of a communication to the Colorado Department of Education's Family, School, and Community Partnering Support Network. You are receiving this if you have participated in a training opportunity on family partnering during the past year (online course or face-to-face training) and expressed an interest in receiving updated information on resources, trainings, and related initiatives OR are a member of either Cohort 1 or 2 of the MTSS mini-grant sites.

The goal of this network communication is that there be an ongoing interactive exchange of information, ideas, stories, and questions/answers in the field, as well as the sharing of current resources, research findings, and applications. All input is welcome.

October has been declared **PARENT AND FAMILY INVOLVMENT IN EDUCATION MONTH** by Colorado Governor John Hickenlooper. The Proclamation is attached to this email – please share with others.

We also wanted you to know about an upcoming stakeholder training:

Family, School, and Community Partnering: "On the Team and At the Table", will be held on November 27, 2012 at Lowry Conference Center. There is a specific focus for those involved in the special education process - advocates, family members, family organizations, local special education advisory committees (SEACs), special education administrators, teachers, and related service providers. However, all stakeholders are welcome. This is the same training offered during 2011-12. A flyer and registration information are available at <http://www.cde.state.co.us/Rtl/ProfDevelopmentRtl.htm>

Finally, please send your comments, ideas, questions, or stories to Cindy Dascher at dascher_c@cde.state.co.us. If you would prefer to be removed from this network, please notify Kristy Reed at reed_k@cde.state.co.us.
