Mathematics Committee

Meeting Summary

Committee Chair: Joanie Funderburk

Committee Members present: Lisa Bejarano, Michael Brom, Ann Conaway, Dennis DeBay, Greg George, Cassie Harrelson, Lanny Hass, Ken Jensen, Lisa Rogers, David Sawtelle

AM Focus:

The mathematics committee:

- Reviewed the written feedback collected during the Fall of 2017,
- Reached consensus to use the Standards of Mathematical Practice as Prepared Graduate Statements, and
- Analyzed the committee's proposed coherence statements across PreK-12 to find consistency in style and form.

PM Focus:

The mathematics committee:

- Worked in grade-band teams to refine the language used to describe *Colorado Essential Skills and Mathematical Practices* as well as *Coherence Connections* and
- Assigned editing and review responsibilities to committee members.

Fifth Committee Meeting Next Steps

For the next meeting of the mathematics committee on February 22, 2018, committee members will:

- Review *Inquiry Questions*, part of the *Academic Contexts and Connections* within the proposed mathematics standards,
- Review CDE's *Guides to the Colorado Academic Standards*, a publication for parents, families, and community members, to evaluate possible updates, and
- Work to complete all proposed revisions for consideration by the State Board of Education.
