

Standards Review and Revision
Fifth Committee Meeting Summary

February 20, 2018

Computer Science Committee

Meeting Summary

Committee Chairperson: Axel Reitzig

Committee Members present: Andrea Young, Bill Heldman, Bobbi Bastian, Brandon Petersen, Chuck Powell, David Webb, and Kristina Brown

AM Focus:

- Committee reported out on their homework assignments, namely the drafting of additional evidence outcomes based on public feedback, and model course sequencing ideas.

PM Focus:

- The afternoon was focused on generating ideas for implementation and reviewing and approving the Colorado Essential Skills within the recommended standards.

Committee Next Steps

The committee chair will present the final recommendations to the State Board of Education as an Informational Item at the March 15, 2018 board meeting.
