

Standards Review and Revision
Fifth Committee Meeting Summary

February 22, 2018

Mathematics Committee

Meeting Summary

Committee Chair: Joanie Funderburk

Committee Members present: Lisa Bejarano, Michael Brom, Ann Conaway, Dennis DeBay, Greg George, Lanny Hass, Ken Jensen, Lisa Rogers, T. Vail Shoultz-McCole, Ann Summers

AM Focus:

The mathematics committee:

- Individually shared their edits with the group and discussed issues of consistency and quality across the entire standards document.

PM Focus:

The mathematics committee:

- Reviewed the text of the Family and Community Guides for potential revisions,
- Discussed inclusion of disciplinary literacy to the current set of Essential Skills,
- Reviewed comments and feedback from the State Board of Education,
- Decided on the assignment of some high school evidence outcomes as advanced content, and
- Worked in small groups to edit the front matter to appear with the standards

Fifth Committee Meeting Next Steps

This was the final meeting of the mathematics committee. By mid-March, committee members will:

- Give the proposed revisions a final review to assure quality and consistency.
