Educators: Your Voice Matters!

Jan. 19 -Feb. 18, 2022

Education Commissioner Katy Anthes and Governor Polis want to hear directly from every school-based educator in Colorado

Improvement Begins with You

Schools must have at least 50% response rate to receive their data. Reach out to your AR or Principal to receive your anonymous code.

"I strongly encourage every educator to take the TLCC Survey, as it is one of the most powerful tools we have to amplify educator voices. Educators and educational support staff are the ones working with our students each day and have invaluable insight when it comes to influencing student achievement, retaining educators and improving school-climate. Results of this survey are completely confidential and are critical to fully understanding educators' perceptions and experiences in Colorado classrooms."
