Educators: Your Voice Matters! Jan 24.-Feb. 23, 2018

Governor Hickenlooper and Education Commissioner Katy Anthes want to hear directly from every school-based educator in Colorado

What do you need to help students succeed?

Schools must have at least 50% response rate to receive their data. Don't wait! Fill out the survey today, we need to hear from you.

We are committed to helping ensure that every educator in Colorado has what they need to do their best work with our children. Through our new, shorter TLCC survey, you have the opportunity to tell us about your school and let us know what you need. We are listening. Thank you for taking the time to complete the survey and everything you do for our children.
