Educators: Your Voice Matters!

Jan 19.-Feb. 18, 2022

Governor Polis and Education Commissioner Katy Anthes want to hear directly from every school-based educator in Colorado

What do you need to help students succeed?

Schools must have at least 50% response rate to receive their data. Don't wait! Fill out the survey today, we need to hear from you.

"Our state is fortunate to have incredible and dedicated educators, but we know you can't continue your work without support. Help us learn more about the challenges and opportunities taking place in your classrooms and school communities by filling out the quick and confidential TLCC Survey. Feedback we receive from you will be used to make policy decisions at the state level and inform school improvement efforts. On behalf of all Coloradans, I sincerely thank you for your service to our children and their families."

-Jared Polis, Governor
