## How To Do It

Dear Parent,  
We are learning to teach others something we know how to do. I hope you enjoy this activity with your child. This assignment is due \_\_\_\_\_. Thank you!

### THINGS TO REMEMBER

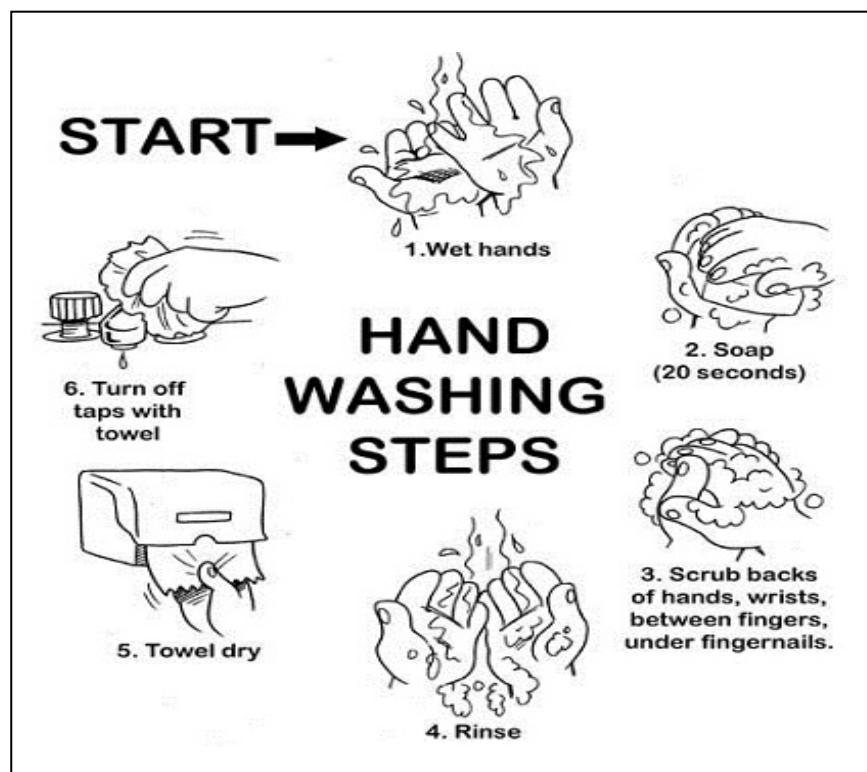

When we tell **how to** do something we go step by step.

### LET'S DO THIS

1. Ask your child: Let's say that a little child asked you about the best way to wash dirty hands.

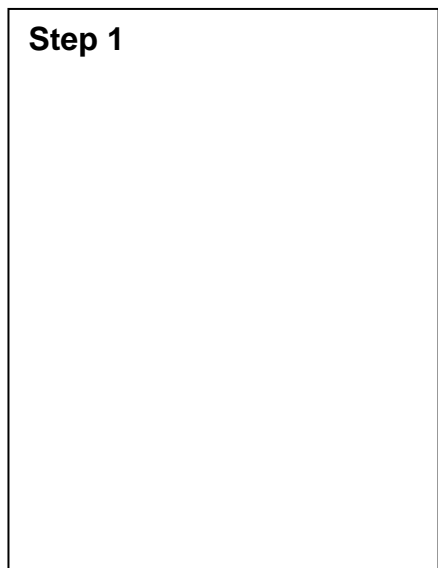

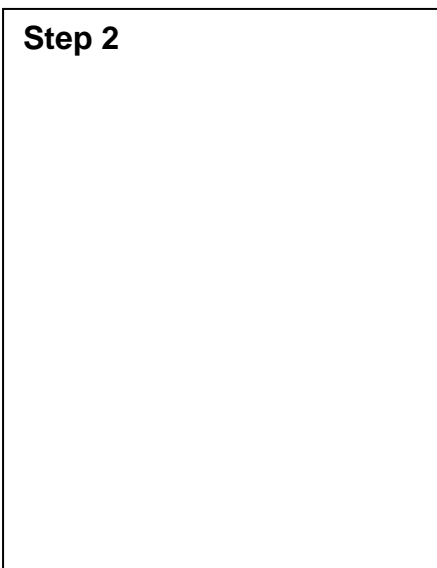

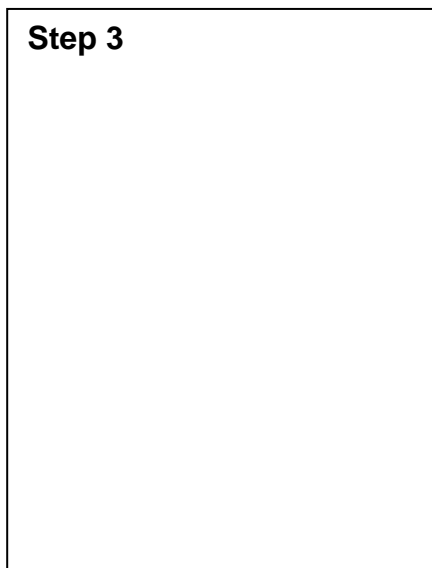

Use the pictures to tell the child **how to** do that.

Tell all 6 steps in order. Say, "First....., second....."

## LET'S FIND OUT

1. Ask your child: Draw 3 steps to show **how to** make a bowl of cereal.

Step 1	Step 2	Step 3
		

2. Ask your child: Use your pictures to tell me **how to** make a bowl of cereal.

3. With your child: Tell each other about a time when you asked someone **HOW TO** do something.

What did you want to know?

Were the directions clear?

What did you learn?
