<b>Provider Contact Required Before Submitting EASI Application?</b>	Not necessary
<b>Program Overview</b>	Accelerate Institute's Leadership Academy is a 1-year program focused on the strategies school leaders need right now to boost their leadership and management practices. The program will help leaders think about school systems as a whole and backwards map how to design their team structures, data management systems, and priorities so they can effectively support their teams towards meeting academic and cultural outcomes. Participants will develop concrete, actionable ideas and enhanced skills they can use to better support their schools, directly impact student achievement, and build/refine the skills necessary to be transformational school leaders.
<b>Program Areas of Focus</b>	Change Management and Strategic Planning Leading effective teams and managing staff Building a productive and aspirational student culture Managing a Data Driven Culture Developing a teacher support cycle (professional development, coaching and data analysis)
<b>Program Location</b>	Chicago, IL and then online – open to state-wide participants
