Welcome

(Dan Jorgensen)

- The TAP meeting was convened via webinar and an informal roll call of participants was taken. TAP members were informed that a survey would be sent out regarding the decision points discussed during the webinar.

High School Academic Growth Awards, selection criteria

(Marie Huchton)

- Marie Huchton provided an overview of HB14-1385, the CHSAA school classification system to be utilized and proposed calculation methodology.

English Language Proficiency Act Excellence Award Program, selection criteria

(Marie Huchton, Liliana Graham, Nazie Mohajeri-Nelson, Tina Negley)

- Marie Huchton provided an overview of the ELPA award program. She detailed the possible methodologies for determination of recipients (i.e. while outlining questions that we would be soliciting feedback via the survey).

Federal Minimums, Impact on Growth Measures

(Alyssa Pearson)

- Alyssa Pearson provided an overview of work being conducted regarding federal assessment minimums. She outlined a series of questions for feedback from the TAP. In addition, she requested TAP support in creating a document that outlines: a) areas impacted by moving to federal minimums, b) benefits, c) concerns about moving, and d) a possible recommendation from the TAP. There was TAP discussion about their approach to this work that will be addressed in the October meeting.

Meeting Adjourned at 4:00 p.m.
