What are the CoAlt Assessments?

The Colorado Alternate (CoAlt) Assessments

- The Colorado Alternate (CoAlt) Assessments are standards-based assessments designed specifically for students with the most significant cognitive disabilities.
- The CoAlt Assessments are meant to provide a picture of student performance to schools, districts, educators, parents, and the community.
- The CoAlt Assessments assess a student's performance in English language arts, math and science.
- The CoAlt Assessments are the state's standardized tests for students who receive instruction in the Extended Evidence Outcomes of the Colorado Academic Standards.
