I am a CCSP subgrantee. How will my completion be tracked?

Completion of the Charter School Board Training Modules will remain a requirement for Colorado Charter Schools Program (CCSP) subgrantees. However, we will now be verifying completion collectively by school through one centralized school board account, rather than individually. Schools can then choose whether to complete as a group or delegate completion to particular board members. All board members will access the board modules through the same account/log-in.

How do I get a Certificate of Completion?

Once you have passed all 30 modules, a Certificate of Completion will be provided. Follow the steps below to obtain your certificate:

1. Ensure you have a "Passed" score for each module on either the Pre-Test or the Post-Test. You only need to have "Passed" one quiz for each module. Click on "Grades" towards the bottom of the left hand menu to view your progress.
2. Send an email to SOC@cde.state.co.us with your name, school, and email address associated with the eNet Colorado account, with the email subject line "Board Module Certificate of Completion Request."
3. Colorado Department of Education Schools of Choice will verify your course completion of all 30 modules and generate a Certificate of Completion.

A PDF copy of the certificate will be forwarded to the email address on record for the eNet Colorado account.

Please be aware that due to limited staff capacity, requests for certificates will be processed no more than once each quarter. If you need proof of completion in the meantime, you can print this from the "Grades" menu. If you have reason to need your certificate more urgently, please feel free to inquire with our office at (303) 866-6276
