## Revised Final Allocations

**COLORADO**  
Department of Education

Attention Fiscal Managers:

CDE's Office of Grants Fiscal has posted the **NCLB FY14-15 Revised Final Allocations**.

They can be found at: <http://www.cde.state.co.us/cdefisgrant/nclb-fy14-15-revised-final-allocations>

In February, 2015 PL 113-235 (Consolidated and Further Continuing Appropriations Act, 2015) passed congress and *excluded* the 0.0554 percent reduction that had been applied to Title I-Part A, Title I-Part D Subpart 1 (Neglected and Delinquent) and Title II-Part A.

Then, on February 20, 2015 US Department of Education announced and released **Second Revised** Final Allocations to the States for Title I-Part A, Title I-Part D Subpart 1 (Neglected and Delinquent) and Title II-Part A. These second revised allocations are what is now posted to the website.

Title IA and Title ID have been altered from the Final Allocations to the Revised Final Allocations. Title IIA remains unchanged from the Final Allocations.

CDE recommends using the Revised Final Allocations for any budget revisions that are submitted during the second Post Award Revision window.
