All parties agree to abide by the guidelines developed by the U.S. Department of Labor and the U.S. Department of Education for non-paid vocational training sites to include the following:

- The student participating in this training experience is an individual for whom competitive employment at or above the minimum wage level is not immediately obtainable and who, because of her his/her disability, will need intensive on-going support to perform in a work setting.
- The student will participate under the general supervision of public school personnel.
- Community-based training will be clearly defined in the student's IEP and will be designed specifically to benefit the student.
- Documentation of student enrollment in the community-based placement program will be made available to the Departments of Labor and Employment and Education upon request.
- All parties entering into this agreement realize that participation in this training does not entitle the student participant to wages.
- The activities of the student at this job site will not result in an immediate advantage to the business. This will include the following:
 - There has been no displacement of employees, vacant positions have not been filled [by students]; employees have not been relieved of assigned duties; and the students are not performing services that, although ordinarily performed by employees, clearly are of benefit to the business.
 - The students are under direct supervision by representatives either of the school or by employees of the business.
 - Such placements are made according to the requirements of the student's IEP and not to meet the labor needs of the business.
 - The periods of time spent by the students at any one site or in any clearly distinguishable job classification are specifically limited by their IEP. Each component will not exceed the following limitation during any one school year:
 - **Vocational exploration** **5 hours per job experienced**

 - **Vocational training** **120 hours per job experienced**

If any of the above criteria fail to be met during the student's placement, he/she will be withdrawn from the training site.
