Significant Support Needs (SSN) Book Study Opportunity – Spring 2022

The Colorado Department of Education SSN Network announces this exciting opportunity. We will be holding a weekly **Virtual** Book Study on the book, *Comprehensive Literacy for ALL: Teaching Students with Significant Disabilities to Read and Write* by Karen Erickson and David Koppenhaver, 2020. This is an amazing opportunity to learn and network with your colleagues across the state.

This book study group is for school personnel who provide literacy instruction (planning, preparation, delivery) for students who are working towards the alternate achievement standards or EEOs.

The Virtual Book Study will begin the week of January 17th through the end of March. We are offering 4 different sessions and you can choose the day and time based on your schedule.
