COLORADO AUTISM CONFERENCE

JUNE 4-6, 2019
COLORADO STATE UNIVERSITY
FORT COLLINS, CO

We are pleased to announce our keynote speakers!

Laura Gutermuth Anthony is an Associate Professor at the University of Colorado School of Medicine, Children's Hospital Colorado. Her work focuses on children with neurodevelopmental disabilities, authoring or coauthoring over 30 publications, while receiving 11 federally funded and seven foundation research grants. She is one of the co-authors of *Unstuck and On Target!* addressing executive functioning challenges for students with autism or ADHD.

Lindsey Nebeker and Dave Hamrick were featured in the Emmy-nominated documentary "Autism in Love", which premiered at the Tribeca Film Festival and aired on PBS. They will share their adventures and insights into the unique challenges, strengths, and what they have learned as a couple on the autism spectrum.

We will also feature a moderated panel of young adults with autism and their families as well as an invited speaker!

Stay tuned!
