Part 2: Summary of Performance: Based on age-appropriate abilities, assessment and tied to the students post high school goals.					

Academic Achievement & Cognitive Performance	Strength	Limitation	For each applicable content area, include a brief description of the Current Level of Performance (strengths, needs, grade level, assessment summary)
Reading		\boxtimes	Angela comprehends well below grade level. Decoding and safety sight words are strengths, but Angela struggles with retaining information from passages of 5 sentences or more. She enjoys researching different breeds of cats and dogs on the Internet.
Math		\boxtimes	Angela can add, subtract, multiply, and divide decimal/currency figures using a calculator. Story problems, checkbook balancing, and budgeting have been taught for several years, but continue to be areas of emergent skills.
Written Language			Angela enjoys using her computer to write letters and e-mail messages to friends and acquaintances., filling out forms, including job applications, is a challenge.
Learning styles & needs	Angela ber	nefits from re	epeated instructions and demonstrations. She benefits from oral testing.
Gene <mark>ral Ability and</mark> Problem Solving			A 2014 psych evaluation showed a full-scale ability score of 68. New situations are challenging
Attention and Executive Functioning		\boxtimes	Angela will require support in learning new skills which may include adapting instruction, including a variety of modalities, utilizing real life context for instruction and repetition for practice.

Currently Utilized and Anticipated Effective Accommodations, modifications, Assistive Technology and Supports

Angela has benefited from receiving a modified curriculum throughout her high school experience, this usually results in material being presented in smaller chunks, with lowered reading levels as well as alternative assignments related to the curriculum being presented. Angela performs best if materials are read to her and she has access to a word processor and computer to complete her work. Angela has difficulty generalizing these skills from the classroom to other settings, it has

been found to be most effective to link mathematical skills to activities of the day/week/month that she is likely to engage in such as shopping, planning activities, and generally performing typical activities within the community. Angela's sense of time is stronger when connected to a posted schedule and activities within the community, work or special events. Angela's hand writing skills are poor, she can write more clearly and with better form and grammar if allowed to use word processing software.

Part 2: Summary of Performance: Based on age appropriate abilities, assessment, and the student's posts high school goals.

Functional Performance	Strength	Limitation	If marked strength or limitation, describe functional capacities and how they may relate to post high school performance in work, community, or educational settings.
Social, Interpersonal, Behavior Skills	\boxtimes		Angela gets along well with adults, but sometimes is immature with her peers, especially males. Usually peer reaction or rejection is effective in shaping Angela's behavior (especially being immature), however clear and direct adult peer guidance may be required by people closest to Angela.
Independent Living Skills			Angela receives SSI. She lives in the basement of her parents' home and does her laundry and cleaning independently. Her mom helps Angela with shopping, cooking, waking up in the morning, and budgeting. Angela completed driver education, but she is afraid to drive on busy roads. She has a dual signature checking account. Angela eats healthy meals. Support with financial decisions has proven to be necessary and effective.
Self Care, Personal Hygiene	\boxtimes		No concerns
Environmental Access/ Motor & Mobility Skills			Angela utilizes a 4 wheel power scooter to navigate her environments; she can walk for short distances (up to 10-20 minutes), but prefers to use the scooter to retain her energy. Common ADA accessibility for the scooter, Angela is independent in caring for and charging her scooter.
Self: Determination, Advocacy, Direction	\boxtimes		Angela explains her strengths and accommodation needs, and usually does this in a positive and assertive manner.
Communication	\boxtimes		A relative strength with supervisors, co-workers, and customers, but Angela sometimes interrupts people.
Career & Vocational			Angela has participated in several volunteer, program-paid and employer-paid work experiences. She enjoyed working at the nursing home, the daycare kitchen, and Wal-Mart.
Work Tolerance & Work Skills	1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1		She disliked working with the school custodian (she dislikes cleaning) and the animal shelter. Angela has required some limited job coaching and follow-along services to be successful. Angela currently works about 12 hours per week at the nursing home, on their payroll. Her duties include helping with set-up, serving, and clean-up for evening meals. Her employment teacher checks with employer weekly to monitor progress and to deal with any issues.
Recreation & Leisure			Angela is quite social and frequents the local movie theater almost weekly. She is active with Special Olympics and loves to call friends on the phone for entertainment in her evenings.

Additional important considerations that can assist in making decisions about disability determination and needed accommodations (e.g., medical problems, family concerns, sleep disturbance)

Angela is very dependable & takes pride in her work. She accepts constructive criticism. Angela exercises regularly at the YMCA and is in good physical condition.
