

COLORADO
Department of Education

2023 Transition Leadership Institute

Speaker: Jody Dickerson, Brain Injury Specialist

Session Title: A Particular Set of Skills; Executive Functioning

Jody Dickerson is the Primary Brain Injury Consultant within the Exceptional Student Services Unit (ESSU) at the Colorado Department of Education. She serves as the state consultant for learners with disabilities that stem primarily from brain injury, including traumatic, non-traumatic, and congenital. She comes from a background as a nurse/nurse practitioner with a focus on school nursing, particularly Special Education (TBI/OHI) health support.
