

COLORADO
Department of Education

2023 Transition Leadership Institute

Speaker: Krista Klabo

Session Title: Mental Health 101: Strategies for All Education Professionals

Krista Klabo, Ed.S. NCSP is the School Psychology Specialist at the Colorado Department of Education. She focuses her work on supporting school psychologists, school social workers, and their roles and responsibilities. She supports special education evaluation, mental health for students with disabilities, mental health, intervention, suicide prevention, and crisis response.
