Summary of the program: <p>Teachers nationwide, including many here in Colorado, have consistently delivered accelerated gains in reading and spelling, when teaching with CR Success Early Literacy programs. This program has been proven to be highly effective with a variety of students, including English Language Learners and students with special needs.</p> <p>CR Success Early Literacy Program has its roots here in Colorado. It is a research-based program that offers the following:</p> <ul style="list-style-type: none">• An integrated approach to phonological skills and systematic phonics in order to develop reading fluency, oral and written vocabulary, and comprehension of text.• The direct application of code knowledge to reading meaningful decodable texts, that are sequentially written and leveled (Lexile levels).• A comprehensive scope and sequence that is aligned to Common Core Standards and to the goals and philosophy of the Colorado Read Act.• Assessments, both summative and formative, that differentiate instruction for students, with clear entry and exits points.• A flexible design that allows teachers to adapt instruction for both Tier 2 and 3 students.• A highly engaging and motivating approach that uses the best practices of instructional design, including multisensory methods, multiple opportunities to practice, and active, hands-on learning.• Professional development that increases participants' knowledge of linguistics, phonics, reading development, large and small group instruction, and strategies for fluency, comprehension, and vocabulary.
