11:00 a.m. Revisiting Work Group Priorities for 2023-24

The group revisited proposed next steps from the 2022-2023 report:

1. Review the Dyslexia Pilot Program final report and establish recommendations for CDE based on the lessons learned.
2. Work with CDE to map out what resources, including funding opportunities and partnerships, currently exist to support rural districts and under-resourced schools in dyslexia-related professional development.
3. Explore ways to build up a pool of specialists who are available to assist students with dyslexia.
4. Research successful practices being utilized in other states (and in Colorado) that connect students with dyslexia to trained specialists.
5. Continue to work with CDE, the State Board of Education, and Colorado General Assembly to implement universal screening of dyslexia in the state of Colorado.
6. Work with CDE and IHEs to further refine dyslexia standards for reauthorization.
7. Work to specify how phonemic awareness and other related components are included in screening/interim assessments.
8. Provide updates with new research and resources annually.

12:45 p.m. Small Group Work

Using the list of proposed next steps from the most recent DWG report, the group brainstormed follow up steps to prioritize in 2023-2024, as well as questions that need to be answered and additional information that needs to be gathered to inform their work in the coming year. This input will be organized and used to plan subsequent DWG meetings.

2:00 p.m. Adjourned

Next meeting (virtual) December 1, 2023 10am-2pm
