

SRD Screening using *i-Ready*: Guidance to meet the Colorado READ Act for Grades K–3

July 2023

Guidance Overview

The Colorado READ Act requires that educators identify students in Grades K–3 with a Significant Reading Deficiency (SRD). This document provides the cut scores that can be used with *i-Ready Diagnostic* to identify students with an SRD. These cut scores are new for the 2023–2024 school year.
