

# Screening for Dyslexia Flowchart

## Universal Screening & Data Review

(Including but not limited to teacher observation, formative assessment, standardized assessments, parent input, and the potential indicators of dyslexia checklist)

A referral to the school district Child Safety Team can be made at any point if a disability is suspected. If dyslexia is identified, a discussion regarding the impact of the reading disability on the student's learning and expected rate of improvement is warranted to determine if the student is eligible for special education supports & services under IDEA and/or Section 504 of the Rehabilitation Act of 1973, as amended.
