LEP Budget Explanation

Instructions: Select the ways in which you plan to use READ Act funds in the upcoming budget year. For each question, if Yes is selected, a narrative box will populate which must be completed. In order to submit your budget, all assurances must be reviewed and agreed upon, all boxes must be checked and all narratives must be complete.

In using the per-pupil intervention money distributed pursuant to the READ Act, each LEP shall ensure that some type of intervention, as described in the allowable activities below, is available to each student who is identified as having a significant reading deficiency (SRD) and who is enrolled in kindergarten through third grade in a school operated by the LEP.

Note: At least one "YES" response is required on this page. Most Yes responses also require a narrative description.

Questions and Assurances

READ Act funds will be used to operate a Summer School Literacy Program

☒ Yes ☐ No

If YES, provide a brief description to explain and justify this planned READ Act expenditure and how it will improve student reading outcomes. The narrative should address:

- a. identified problem(s) based on READ Act-relevant data;
- b. details of the planned allowable activity(ies) including name program(s);
- c. expected outcomes and/or goals

Narrative should not exceed 250 words.

Teachers will continue the work begun in the school year with students who have an SRD or are below grade level. There will be targeted, individualized learning led by an Interventionist. The MTSS Team will create and monitor individual student plans to determine interventions, progress monitoring and revisions to plans to meet the summer learning plans of students. Program activities may include reading clubs, classroom learning, and tutoring. Students with an SRD or below grade level are expected to maintain their level of performance without evidence of learning loss for the summer months.

☒ The summer school literacy program services only students enrolled in K-3 who have an SRD or students below grade level if space is available

☒ The summer school literacy program will use scientifically based or evidence based instructional programming in reading that:

- Has been proven to accelerate student reading progress and;
- Provides explicit and systematic skill development in phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension and;
- Includes scientifically based and reliable assessments and;
- Provides initial and ongoing analysis of student progress in attaining reading competency

READ Act funds will be used to purchase a core reading instructional program that is included on the Advisory List of instructional programming in reading
