LEP Budget Explanation

Instructions: Select the ways in which you plan to use READ Act funds in the upcoming budget year. For each question, if Yes is selected, a narrative box will populate which must be completed. In order to submit your budget, all assurances must be reviewed and agreed upon, all boxes must be checked and all narratives must be complete.

In using the per-pupil intervention money distributed pursuant to the READ Act, each LEP shall ensure that some type of intervention, as described in the allowable activities below, is available to each student who is identified as having a significant reading deficiency (SRD) and who is enrolled in kindergarten through third grade in a school operated by the LEP.

Note: At least one "YES" response is required on this page. Most Yes responses also require a narrative description.

Questions and Assurances

READ Act funds will be used to operate a Summer School Literacy Program

☒ Yes ☐ No

If YES, provide a brief description to explain and justify this planned READ Act expenditure and how it will improve student reading outcomes. The narrative should address:

- a. identified problem(s) based on READ Act-relevant data;
- b. details of the planned allowable activity(ies) including name program(s);
- c. expected outcomes and/or goals

Narrative should not exceed 250 words.

Julesburg Elementary School will be hosting SPARK (Summer Progress Assuring Ready Kids) for students in grades K-3rd identified on DIBELS as well as NWEA, classroom assessments, teacher observation and students who have historically shown significant regression during breaks in the area of literacy. Students will attend these 2-hour sessions three days a week for three weeks in June and three weeks in July. Maintaining group size for 3-5 students, students will get specified, intensive instruction supporting phonics, phonemic awareness, vocabulary, fluency and comprehension. Students have been grouped based on their specific needs as identified in the DIBELS assessment as well as classroom teacher feedback. Students will be supported through direct instruction as well as computer-aided practice. We plan to utilize Heggerty, iStation as well as our Core Resource and intervention tool (HMH Into Reading). The expected outcomes of this program are one: to keep students from regressing and to potentially move them from a minimum of red to yellow and hopefully on to green on DIBELS. Oral reading fluency is a huge focus for our students and teachers.

- ☒ The summer school literacy program services only students enrolled in K-3 who have an SRD or students below grade level if space is available
- ☒ The summer school literacy program will use scientifically based or evidence based instructional programming in reading that:
 - Has been proven to accelerate student reading progress and;
 - Provides explicit and systematic skill development in phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension and;
 - Includes scientifically based and reliable assessments and;
 - Provides initial and ongoing analysis of student progress in attaining reading competency
