

Course Instructor File

- Removed field “MSP Project Code” from file layout
- Removed field “MSP Most Recent Year of PD Participation” from file layout

Course Enrollment File

- Removed field “Course Completion Status” from file layout
- Removed field “Verified” from file layout
- Updated field “Final Grade” to be “Final Grade/Course Completion Status”. This field is required and cannot be blank or zero-filled.
 - The final indicator of the student’s performance and course completion status at the time of data submission. Districts may find “Completed – Pass” and “Completed – Satisfactory” to be similar; for clarification, districts may opt to use “Completed – Pass” for courses with no credit/no grade/no mark and “Completed – Satisfactory” for courses that result in a grade/credit/mark.

1	Completed - No Credit/No Grade/No Mark
2	Completed - Pass
3	Completed - Satisfactory
4	Completed - Unsatisfactory
5	Completed - Fail
6	Incomplete – No Credit/No Grade/No Mark
7	Withdrew – No Credit/No Grade/No Mark
