</table>
| Content Classes with Integrated ESL Support     | Program designed for English learners to learn content and develop English language skills simultaneously in one class. Instruction in language is not separate from the learning of content. As students learn new concepts and skills (for example, in mathematics or history) they learn the language for that content area. | Usually provided in English with little use of the ELs’ primary language(s). | - Push-In ESL  
- Co-Teaching  
- Sheltered Instruction Observation Protocol (SIOP)  
- Specially Designed Academic Instruction in English (SDAIE)  
- Structured English Immersion (SEI)  
- Sheltered grade-level content Courses |
| Newcomer Programs                                | Program designed specifically for students with low levels of English proficiency and new to the US. The goal is to accelerate their acquisition of English language skills and to orient them to the US and its schools. | - English only  
- English and another language(s). | - Newcomer Center |
| Other                                            | A language instruction program model designed to develop English that does not match the provided options. | NA                                                                      | - Parent-Opt Out  
- Waived Students |
| Not in a Language Instruction Program, Parent Refusal | Parents/Guardians have refused district/school language instruction services. | NA                                                                      |         |
