

Student October Collection Training Schedule

Recordings, slide shows, and support materials for all Student October training will be posted on the Student October website for reference by data respondents throughout the collection. A variety of training opportunities are offered to support the unique needs of each school district/BOCES data respondent. Please use the links provided to register for the training sessions.

Live Webinars

All Student October (OCT) data respondents are strongly encouraged to attend the collection live webinar webinars.

Data Pipeline Training

This webinar is designed for new data respondents that are not familiar with the Data Pipeline System or those that want a quick reminder on the system.

- Date/Time: 08/28/2024, 10-11 a.m.
- [Click here to join the teams meeting.](#)

New Respondent Training

This webinar is designed for new data respondents that have either never completed the Student October Data Collection or need some reminders on the overview of the collection.

- Date/Time: 09/05/2024, 1-2 p.m.
- [Click here to join the teams meeting.](#)

English Language Learner Training

This webinar is designed for data respondents and district program staff who support English Language Learner students.

- Date/Time: 09/10/2024, 11-12 p.m.
- [Click here to join the teams meeting.](#)

Veteran Respondent Training

This webinar is designed for respondents who have completed the collection in the past and

- Date/Time: 09/12/2024 11-12 p.m.
- [Click here to join the teams meeting.](#)

This webinar is designed for data respondents and district program staff who support postsecondary programs.

- Date/Time: 09/16/2024, 11-12 p.m.
- [Click here to join the teams meeting.](#)

Mid-Collection Office Hours

This office hours webinar is meant to provide an opportunity for districts to bring questions and check-in mid-collection. There will not be an official presentation for this webinar.

- Date/Time: 10/14/2024 10-11 a.m.

- [Click here to join the teams meeting.](#)

Data Validation, Transfer Enrollment Exceptions and Cognos Reports Training

This webinar covers how to validate your data through Cognos Reports and if some students within your district can apply for a transfer enrollment exception.

- Date/Time: 10/24/2024 1-2 p.m.
- [Click here to join the teams meeting.](#)

Data Pipeline Duplicate Process and Submission Training

This webinar covers data submission as well as what to expect of the next phase in the Student October Collection: Duplicate Process.

- Date/Time: 10/28/2024 9-10 a.m.
- [Click here to join the teams meeting.](#)

Short Byte Videos

On-Demand Short-Byte Videos Short Byte Videos are topic based pre-recorded informational videos. They are available at the Student Interchange level for information that applies across the Student Interchange and at the Student October level for collection specific information. They are designed as supplemental information about frequently asked questions and do not replace the larger collection overview training. See the [Student Interchange website](#) and [Student October website](#) for a list of available short bytes.
