In preparation for the 2021-22 Principal Leadership Institute (PLI), we'd like to learn about you and your experiences. Please respond to all six (6) questions listed below (space is limited to 100 words per response).

NOTE: Be sure to download this PDF, select Save As, and save it to your desktop BEFORE responding to the questions. Once you have completed answering the questions, select Save As again and then upload this Questionnaire via the PLI Application Form.

1) How might professional development focusing on distributive leadership empower you to build leadership capacity in your teacher leaders?

2) Describe the current climate and culture in your building. What steps have you taken to build a strong culture of trust and rapport with your staff?

3) Describe what a *collaborative team* looks like in your current school environment.

4) Describe your current leadership team structure. What's working and what's not?

- 5) Do you have a system of professional learning communities (PLCs) at your school? If yes, describe how your PLCs work collaboratively to increase student academic outcomes. If no, describe the barriers that might be preventing you from establishing PLCs in your building at this time. What supports might you need?
- 6) How might a principal coach best support your work moving forward with distributive leadership practices and improving/enhancing culture and climate in your building?
