

## 2023 COLORADO COGAT PRICING

If universally screening an entire grade using online testing, Riverside Insights has agreed to give Colorado Schools a discount on 2023 pricing of *CogAT 7* and *CogAT 8* online administrations – Complete, Screener, and Post Screener. Discounted online administration prices are listed below. If this is your first year testing online, training is required, and prices vary based upon the number of individuals you need to train.

| CogAT 7 & 8 Online Administration Type | Colorado Universal Screening Price | Catalog Price |
|--|------------------------------------|---------------|
| CogAT Complete Online                  | \$15.15                            | \$15.95       |
| CogAT Screener Online                  | \$11.59                            | \$12.20       |
| CogAT Post Screener Online             | \$7.22                             | \$7.60        |
