2e (Twice Exceptional) Level 1 Training

WHO: Educators who want to learn more about gifted students with disabilities, including: gifted educators, general educators, special educators, counselors, psychologists, social workers, specialized service providers, and administrators. Teams from your district, school, or BOCES are welcome to take the course together.

WHAT: A seven-week online class

There are seven (7) lessons, one per week. Assignments include *readings*, *video viewing*, and *discussion posts* with classmates. Participants are expected to complete assignments weekly.

- The average amount of time required is approximately *2 hours and 15 minutes per week*.
- The final grade is Pass/Fail. A score of 80% is required to achieve a grade of Pass. If the instructors find that a person is not completing assignments and has not discussed with the instructor an alternative schedule, the instructor may drop a student from the course or submit a grade of Fail.
- This course uses the Moodle platform and is housed on [CDE LMS platform](#).
- Please use control click on the session directly below to register.

WHEN:

- [Session One](#): Opens September 10, 2018 and closes October 27, 2018
- [Session Two](#): Opens January 07, 2019 and closes February 23, 2019
- [Session Three](#): Opens March 11, 2019 and closes April 27, 2019

This course is designed to provide you with:

- the ability to articulate the complex needs of twice-exceptional students, both academic and social-emotional
- an awareness of how the learning environment and teaching style impact the success of twice-exceptional students
- review of the basics of MTSS/Rtl for use in twice-exceptional identification and programming
- the ability to define and utilize strength-based programming within a MTSS/Rtl framework in the development of an educational plan
- the skills necessary to identify evidence-based strategies for twice-exceptional students
- suggestions for working with the parents of twice-exceptional learners
- the opportunity to collaborate with others that is responsive to the student's profile

Important notes:

- Workshops are offered at no cost to participants (all materials are provided by CDE)
- Successful completion of the course means the participant is eligible to earn one (1.0) graduate credit hour through Adam's State University (\$55.00), or 15 relicensure hours through CDE (free)

Deadline to register for any session is two days before the start of the session. Please note classes may close if they fill before the deadline.

Study your students and your content deeply. Find ways to successfully connect with each student and with what matters most in what you teach. It's ok to start small as long as you set high expectations for all your students. Never forget education begins at each individual student's point of entry.

If you are an educator interested in deepening your practice to better recognize and meet the needs of twice-exceptional students you should attend.
