Directions: Address each section and the provisions of the early access ECEA Rules 12.08. In each section below, describe the methods and/or tools that the administrative unit will implement for early access communication, criteria and process. Type your response in the white boxes referencing the topics.

Communication

In what ways will the administrative unit:

- Inform parents, educators, and community members about criteria, process, timelines, portfolio referral, tests, final determinations and ALP development
- Provide professional development for educators and administrators about early access and ALP development, especially staff involved in the process

Describe how your AU communicates the Early Access Plan:

Criteria

- Describe the method, the standard (level of results) and tool/s that will be considered to determine early access for a highly advanced gifted student using the following categories for criteria: aptitude, achievement, readiness for school, social behavior and motivation.
- Explain the support system that will assist the child during year one of transition into early access. How will parents, teachers, school administrators and the learning environment contribute to a positive support system? How will the transition goal be monitored? In what ways will parents, teachers, and the child communicate about progress?

Aptitude:

Performance:

Readiness, social behavior and motivation:

Support system:

Process

- Briefly summarize how the administrative unit will address each component in the early access process. Include specifics prompted by the questions or bulleted points that satisfy conditions of the law. Note: The child's ALP must be developed no later than September 30 for both kindergarten and first grade years of early access.

Timelines:

Personnel:

Identify personnel who will be involved in: collecting referrals and how that person is “qualified”; testing; collecting data for the body of evidence; the determination team; the support team; and any other personnel the AU deems helpful in the early access process:

Monitoring:

Describe what standards the AU will set for teachers and parents when monitoring student performance and progress during the first year of early access.

Evaluation:

What are the AU’s implementation steps or requirements for early access evaluation? In the description, summarize each factor related to evaluation: responsibility for and content of the screening portfolio; the screening tool for a referral; performance information; referral procedures; testing for a body of evidence; consensus decision making; method to inform parents; the resolve if the determination team cannot come to consensus; the ALP development responsibility; and the process to provide ALP data to the home school if the child is gifted, but not deemed appropriate for early access. Attach a copy of the determination letter that will be used in the process at the end of this addendum.

Select Yes or No if the AU will be using the same procedure for disagreements process as in the main Program Plan.
