

Menstrual Hygiene Products Accessibility Grant Program - Eligible Applicants

Based on the funding statute, eligible applicants for this program are:

- A Local Education Provider (LEP) that has 50% or more students enrolled who are eligible for free or reduced-cost lunch. See **Appendix A** for an eligibility decision tree and **Appendix B** for a list of eligible LEPs.
- The Colorado School for the Deaf and Blind.
- An approved facility school, as defined in section 22-2-402(1) C.R.S.

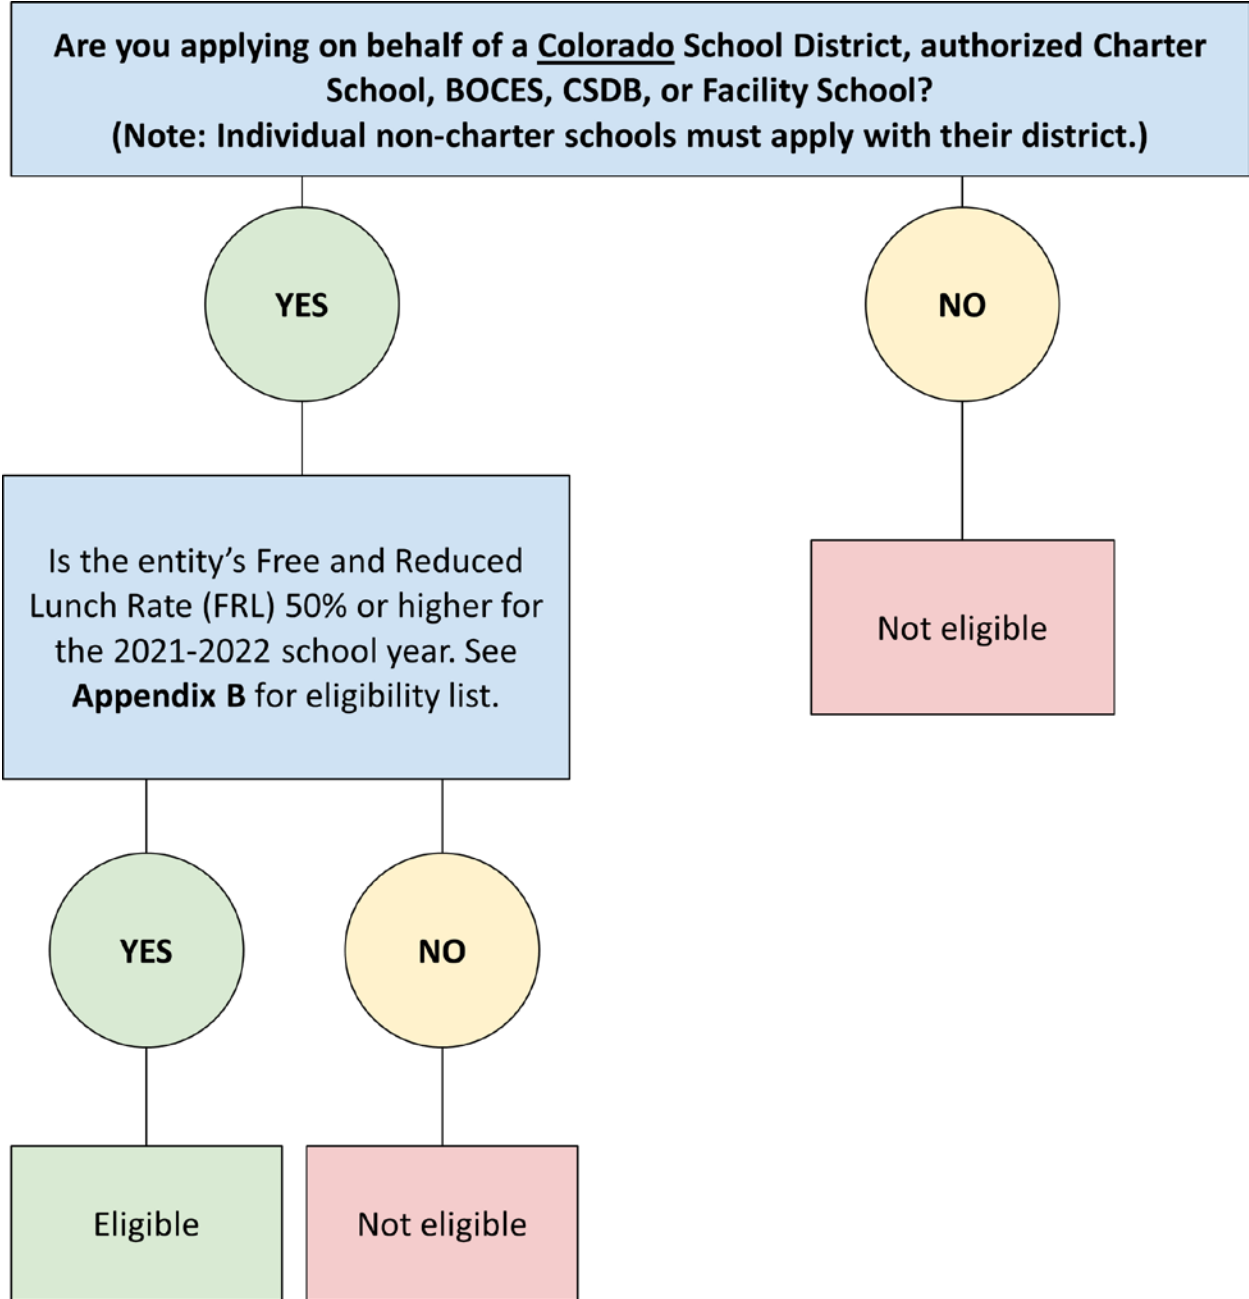

An eligible LEP is:

- A School District
 - Individual non-charter schools may not submit a standalone application apart from the district.
- A Charter School authorized by a School District - must have district approval
- A Charter School authorized by the Charter School Institute (CSI) - must have CSI approval
- A Board of Cooperative Services (BOCES)

Note: Applications must be authorized and submitted through the LEP. A charter school's authorizer will be the fiscal agent, if funded.

Available grant funding will be distributed to eligible Education Providers, based on the amount of funding requested and the number of applications received. In the event that funding requests exceed the amount of funding available, first-time program participants will be prioritized.
