

## **Procuring Military Immunization Records \*\*\***

### **Evan's Army Hospital & Air Force Bases: Colorado Springs, CO Protocol for obtaining student Immunization Records**

#### **Obtaining individual student's IZ Records (Army Dependents only):**

The school district could submit a release form on behalf of the parent as long as they have consent signed by the parent.

**Or...**

If parent gives authorization to The School Nurse, the school Nurse may send name, DOB, sponsor SSN to Evans Release Of Information (ROI) office, Fax (719) 503-7007/8. Office phone number is (719) 526-7322. Give at least 7 days to get response from ROI. It is recommended that you call prior to faxing the request so they are aware that they will be expecting a faxed request for records.

Parents may also come to Evans Army Community Hospital (ACH) individually to request the immunization record, they will walk away with a copy after completing a DD form 2870.

#### **Obtaining immunization records for Air Force Dependents only:**

The following information for Peterson Air Force Base and USAFA is listed below:
