

## Family, School, and Community Partnerships School Practice Profile

### Definition

Families, early-childhood programs, schools, and communities actively partnering to develop, implement, and evaluate effective and equitable practices to improve educational outcomes for children and youth.

### Consideration of desired outcomes

Family, school, and community partnerships (FSCP) positively impact academic and behavioral student outcomes (earn higher grades or test scores, graduate from high school and attend post-secondary education, develop self-confidence and motivation in the classroom, have better social skills and classroom behavior).
