

Reimbursement Claim Due Dates

School Year 2022-23

Submission deadlines for school year 2022-23

The Child Nutrition reimbursement claim is subject to submission deadlines established by federal regulations. Specifically, a final claim for reimbursement, including revisions, shall be submitted to the state agency no later than 60 days following the last day of the full month covered by the claim. Claims not submitted within 60 days shall not be paid. {7 CFR Part 210.8(b)(1)}. The term "days" refers to calendar days.

Claims must be filed on a timely basis to avoid the possibility that a claim would not be payable. It is the sponsor's responsibility to demonstrate timely submission of claims.

Reminder, a claim must show as an "Accepted" status in the CO Child Nutrition Hub (Online Claim System) to ensure timely submission. Claims left in a "Pending", "Incomplete" or "Error" status are not considered complete and will not be paid.
