

Concurrent Enrollment

free career training & college tuition

CE is for Everyone

- Want to avoid student loans?
- Looking for free college or job training in high school?
- Classes offered on high school and college campuses towards:
 - professional certificates
 - 2-year associate degrees
 - up to 60 transfer credits to 4-year schools

Earn high school and college credits at the same time and graduate ready for work or transfer to a university! On-campus texts are free and transportation options are available.

Stop by your HS counselor's office and get started on your personalized pathway today!

Who are You?

- Can I see myself working outside or working in a lab, office, or hospital?*
- Do I like to work alone or with other people?*
- Do I prefer to use my hands to build, design, create or repair things?*
- Do I like music, art, or writing, or are math and science my strengths?*
- Do I enjoy working with children or helping out people?*
- Do I want to own my own business one day?*

WHAT IS YOUR PATHWAY?

- Art & Graphic Design
- Auto/Diesel
- Business
- Culinary Arts
- Criminal Justice
- Cyber Security
- Education
- Engineering
- Exercise Science
- Fire Science
- Healthcare
- Hospitality
- IT/Computer Science
- Manufacturing
- Math
- Medical/Dental
- Music
- Welding
- Zoo Keeping

“CE has given her an understanding of how college courses work and how they are different from high school. The savings of tuition alone has been wonderful and her confidence, self-esteem, time management and even dealing with stress have strengthened because of this experience. - D49 Parent”

“ Concurrent Enrollment is a good fit because it has allowed me to achieve an associate’s degree before I graduate. This saves me time and money for the future, and I can go on to accomplish my dreams faster.

- D49 Graduate ”
