

## PWR Symposium

Investigate Capstones, Meaningful ICAPs, Industry Certificates  
and their connections to Graduation Guidelines

**You are invited to join districts from Centennial BOCES and CDE's office of Postsecondary and Workforce Readiness for a PWR Symposium.**

**Explore Capstone implementation strategies, work-based learning, lessons learned, and student work from schools in the region.**

**When:** Wednesday, February 27  
11:00 a.m. – 3:00 p.m. (lunch provided)

**Where:** Centennial BOCES  
2020 Clubhouse Drive  
Greeley, CO 80634

**What:** Beginning with the class of 2021, graduating seniors will demonstrate readiness according to the [Graduation Guidelines Menu of Options](#). Schools and districts are working with their communities to implement various menu options, especially capstone, industry certificates, and work-based learning (WBL).

**Who:** All are invited; please bring a team from your school or district.

**Expected Outcomes for the Day:**

- Learn from local practitioners about their implementation processes
- Connect Graduation Guidelines with Postsecondary and Workforce Readiness (PWR)
- Get feedback from teachers/administrators in peer schools about your expectations, plans, program ideas, and struggles for capstone, industry certificates, and WBL
- Engage with students and hear their advice about the process

**Please forward this invitation to your colleagues and neighbors.**
